

`_from_dict`

```
graph LR; A["_from_dict"] --> B["pip._internal.models.direct_url._get"]
```

The diagram illustrates a function call. On the left, a grey rectangular box contains the text `_from_dict`. A blue arrow points from this box to a larger white rectangular box on the right. This right box contains the text `pip._internal.models.direct_url._get`, which is the name of the function being called.

`pip._internal.models.direct
_url._get`
