

install_wheel

_install_wheel

get_console_script
_specs

```
graph LR; A[install_wheel] --> B[_install_wheel]; B --> C[get_console_script_specs];
```

A flowchart illustrating a sequence of three operations. The first operation, 'install_wheel', is in a white box. A blue arrow points to the second operation, '_install_wheel', also in a white box. Another blue arrow points from the second operation to the third operation, 'get_console_script_specs', which is in a gray box. The text in the gray box is split across two lines: 'get_console_script' and '_specs'.
