

multiprecision_is_smaller

```
graph LR; A[multiprecision_is_smaller] --> B[constant_time_compare]; A --> C[constant_time_is_lessthan_u64];
```

A diagram showing a node on the left with two arrows pointing to two nodes on the right. The left node is shaded gray, while the right nodes are white with black borders. The arrows are blue.

constant_time_compare

constant_time_is_lessthan_u64
