

`_find_impl`

```
graph LR; A[_find_impl] --> B[pip._internal.metadata.importlib._envs._looks_like_wheel]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `_find_impl`. A blue arrow points from the right side of this box to a larger white rectangular box on the right. This white box contains the text `pip._internal.metadata.importlib._envs._looks_like_wheel`.

`pip._internal.metadata.importlib.
_envs._looks_like_wheel`
