

pip._vendor.packaging.markers.
Marker.__str__

_format_marker

```
graph LR; A["pip._vendor.packaging.markers.  
Marker.__str__"] --> B["_format_marker"]; B --> B;
```

The diagram illustrates a function call. A light blue box on the left contains the text 'pip._vendor.packaging.markers.Marker.__str__', representing the caller. A straight blue arrow points from this box to a dark gray box on the right labeled '_format_marker', representing the function being called. A curved blue arrow loops back from the top of the dark gray box to its top-left corner, indicating a recursive or self-referential call.
