

explain

```
graph LR; A[explain] --> B[explain_exception]
```

A diagram consisting of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'explain'. The right box is white with a thin gray border and contains the text 'explain_exception'. The blue arrow points from the right side of the 'explain' box to the left side of the 'explain_exception' box.

explain_exception
