

feed

```
graph LR; feed[feed] --> validate_utf32_characters[validate_utf32_characters]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'feed'. The second box on the right is gray with a black border and contains the text 'validate\_utf32\_characters'. A blue arrow points from the right side of the first box to the left side of the second box.

validate\_utf32\_characters
